Hi Cecilia,

I had my husband fax over the new form today. I just filled in the amount listed below as the amount to be taken out of my check each pay period because I was not exactly sure how many pay periods are left in the year.

Thanks,  
Kate

Hi

Hi Kate,

I just spoke to Dave Willey at benefit strategies and he will adjust your account for the 6 pay periods you were missing while [REDACTED]

He said if you want to keep the [REDACTED] for the remainder of the year it will be [REDACTED] each pay period. You can also lower the amount if you want.

Please forward me the form once you decide.

Thanks  
Cecilia
